Dear Hiring Manager,

I am excited to apply for the **Web Developer** position at **YOUR COMPANY**. With a strong background in software development, specializing in **React.js, Node.js, and Firebase**, I am eager to contribute my skills and passion for technology to your dynamic team.

During my **internship at XYZ Tech Solutions**, I worked on **full-stack web applications**, developing **interactive user interfaces and optimizing database queries** for better efficiency. My experience with **REST APIs, cloud integration, and scalable solutions** has strengthened my ability to build modern applications that enhance user experience.

My capstone project, **Craft Connect**, is an **e-commerce platform** designed to empower small businesses. This project involved integrating **secure authentication, real-time product management, and a Stripe payment system**, demonstrating my expertise in **full-stack development and cloud-based platforms**.

Beyond technical expertise, I bring **strong problem-solving abilities, adaptability, and a collaborative mindset**. I thrive in **fast-paced environments**, enjoy tackling **complex challenges**, and constantly seek opportunities to enhance my skills.

I would welcome the opportunity to discuss how my experience and enthusiasm align with **[Company Name]'s** goals. Please feel free to contact me at chhavichhabra5@gmail.com or +1 647-895-3246 .

I look forward to the possibility of contributing to your team and making a meaningful impact.

Thank you for your time and consideration.

Sincerely,
Chhavi Chhabra
